EC Declaration of Performance
no. 2021-02

Hereby the undersigned declares, that following products are being produced in conformity with the EC Regulation No 305/2011 Construction Products and fulfills the CE label marking characteristics, assesment System 4 according to:

EN 14915:2013

Solid Wood Aspen Paneling, both natural, coated and thermally treated

Characteristic	Performance
Species	European aspen (Populus tremula)
Mean Density and thickness	430-450 kg/m ³ , 12-28mm
Intended use	Interior use ONLY
Fire resistance	D-s2, d0
Natural durability, according to EN350	Class 5
Thermal transmittance	0,12 W/(m K)
Sound absorbtion	0,1/0,3
Emission of formaldehyde	E1
Water vapor permeability	NPD
Content of pentachlorophenol	NPD
Release of other dangerous substances	NPD
